Deo's Base Bed Frame Assembly Instruction Guide

Supplied Fittings

T bolt	Front and rear panels	Side panels	Slats	Legs with bracket and pre-installed screws	Center piece	Screw's
						
x 4	x 2	x 2	x 6	x 4	x 2	x 32

Please check you have the correct fittings and read through before commencing with assembly.

Step 1

Slot in the side/front panel into brackets on the leg

Step 2

Tighten the screws on the leg,

Step 3

Place the center piece into the bracket.

Use the supplied screw to secure the support into the frame

Step 4

Once completed placing the slats, place the slats evenly over the center piece.

Step 5

Secure all slats firmly onto the frame, avoiding excessive tightening of any screws. For both end and middle slats, use two screws on each side. The middle rest should be attached with one screw on both sides and one at the center piece.

Repeat steps 5 for all slats

Your bed is now fully assembled. Please do not use without a mattress and periodically check that all fixings are tightened correctly
